

FOGAM3.1 ReadMe – Mar2023

General:

- All downloads are now dated Mar-24

Rules

- Updates in the 2023 version are still highlighted in **BLUE**
- All updates since the 2023 versions are highlighted in **RED**
- Every effort has been made to ensure that page numbers have not changed
- An INDEX has been added to the end of the Full Rules – Thanks to Steve Murton for this.

Updates to lists

- Lists added since production of the version3.0 books are highlighted in **BLUE** in the Table of Contents
- Deletions to lists are NOT listed - these will only be 'Allied' lists that have been upgraded to 'Full' lists
- All of the main lists should have the same page number as previous versions – except that new added lists have been placed at the end of the main lists – in front of the 'Allied lists' section
- The 'Allied Lists' section will have different page numbers, but are still in alphabetical order.
- All of the 'Main' updates are listed in the following 4 pages. Some of the minor changes (mainly points corrections) are not listed, but are still highlighted on **red** in the downloads.
