"OUTER WRAP: INSIDE" TEMPLATE
Background should not contain any art/background color.
- 2

SAFETY WARNING
Font size should be increased to fit available space.
Font must be Segoe Pro and minimum 6pt.
Safety Warning text should wrap around "quiet zones" as identified on the "INS: Quiet Zone" layers to ensure text is not obstructed by DVD case clips, etc. Please adjust quiet zones to suit the style of your specific DVD case supplier.
- 3

WARRANTY
Warranty should be provided to the original end user of the game stating that the game will perform in accordance with its documentation or publisher will refund the purchase price or provide a replacement game at no charge.
NOTE: Publishers must provide minimum 90-day warranty for North America and 180-day warranty for Korea. Publisher should check with their legal department to ensure that minimum warranty periods are met for each other specific country the package will be distributed into, but must provide no less than a 30 day warranty.
- 4

PRODUCT SUPPORT
Publishers are required to supply adequate levels of customer support for end users. The following levels of support must be included in all game manuals:
Preferred: Web/email address + phone number (ideally local rate, premium or international call/toll charges should be disclosed) + Postal Address.
Minimum: Phone number (ideally local rate, premium or international call/toll charges should be disclosed).
- 5

"OUTER WRAP: INSIDE" NOTIFIER
The text provided is intended to alert users that they should remove the outer wrap to read the information contained within. Please ensure this notice is present on your printed product.

GENERAL RECOMMENDATIONS
Microsoft recommends that you coordinate with your own legal counsel on the unique content you include.
TYPE SIZES
Microsoft recommends that as a best practise you should increase the type size of the Safety Warning, Warranty and Product Support information should space permit.
